"Contact Centre" or "Customer Contact Centre" or "Brand Customer Contact Centre" refers to support that the customer can contact for information.

All detailed references concerning above references are located in Appendix 1

"Customer": the person who owns or holds a long-term lease on a Vehicle and who, via the Pairing Process, is able to confirm that he/she is the user of, and in possession of, the Vehicle.

"Equipment": Any vehicle's equipment, including emergency call systems with Bluetooth or GSM technology embedded and/or touch screens, which allows the activation and use of the Service from a SmartDevice.

"Pairing Process": To activate the Service, the Customer must successfully complete the process of pair his/her SmartDevice with the Vehicle to be recognized as the Vehicle's user since the Service is reserved

and only provided to the Customer. The Pairing Process has its own General Terms and Conditions that the Customer must accept prior to use.

“Service”: The Remote Control service, as further defined in paragraph 4 below, is provided by PSA either via the Application or via the Customer’s MyBrand Account. The Service allows the Customer to check the status of the vehicle doors (locked or unlocked), to control remotely the locking mechanism (of all the doors at the same time) and to remotely activate the horn and the external lights.

“SmartDevice”: Any internet-enabled device, including smartphones. It is specified that the Service only works with smartphones compatible with the Vehicle and meeting all of the Pairing Process requirements.

“Vehicle”: The Brand vehicle eligible for the Service in accordance with paragraph 2.2 below.

2 – PRECONDITIONS – ELIGIBILITY

2.1. Preconditions

In order to subscribe to the Service, the Customer must first:

- ❖ have the application installed on at least one of their SmartDevices;
- ❖ create a MyBrand Account and sign in to the Application;
- ❖ check that:
 - the Vehicle is eligible for the Service in accordance with Article 2.2 below;
 - the SmartDevice is compatible with the Vehicle and MyBrand on the Brand Services Store.

2.2. Vehicle Eligibility

Peugeot, Citroën, DS, Opel and Vauxhall vehicles equipped with infotainment system may be eligible. All technical eligibility is automatically checked on Brand Service Store or in the Application.

However, the global eligibility of a Vehicle for the Service may vary from country to country as a result of the Service progressive rollout schedule and the date of the Customer's request.

All information on the Vehicle's eligibility is available by entering the Vehicle Identification Number (VIN):

- ❖ in the Application;
- ❖ online via the Brand Services Store. The list of eligible Vehicles is updated regularly as the Service is rolled out gradually. It is specified that any update is carried out without prior notice. As such, it is the Customer's responsibility to stay current with the latest updates, which are available on the Application and/or the Brand Services Store.

2.3. Territory

The Service may be subscribed to and used in the following countries: Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Japan, Luxembourg, the Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Spain, South Korea, Sweden, Switzerland and the United Kingdom.

Customers may only subscribe to the Service in their country of residence.

This list of countries is updated regularly as the Service is rolled out gradually. It is specified that any update is carried out without prior notice. As such, it is the Customer's responsibility to stay current with the latest updates, which are available in the service territory coverage page or upon request from the Customer Contact Centre. To contact the Customer Contact Centre, please refer to the details provided in paragraph 9 below.

3 – PURPOSE – SUBSCRIPTION

3.1. Purpose

The purpose of these general terms and conditions of use is to define the terms and conditions of the Service's subscription and use, hereafter referred to as "**the Service T&Cs**".

3.2. Subscription

3.2.1 - The Customer may subscribe to the Service either:

- ❖ via the Application;
- ❖ via the online Brand Services Store.

Due to the possible impact of specific national characteristics on the Service content, the Service must be subscribed in the Customer's country of residence, in accordance with paragraph 2.3 of the Service T&Cs. In this context, it is specified that any Customer in breach of this requirement shall not be eligible for any assistance from the Customer Contact Centre and shall bear all foreseeable costs that may result from such a breach, without prejudice to paragraph 6.3 of the Service T&Cs.

3.2.2 Subscription is effective once the Customer has read and agreed to the Service T&Cs by checking the box *"I have read and agree to the General Terms and Conditions"* via the Customer's MyBrand Account and has confirmed their subscription.

It is specified that to benefit from the Service, the Customer must complete the subscription by activating the Service, which requires the Customer to:

- ❖ provide a valid paying method if required;
- ❖ accept the general terms and conditions of use of the Pairing Process, hereafter referred to as the "**Pairing Process T&Cs**", by checking the relevant box;
- ❖ successfully complete the Pairing Process. The Customer will only be able to activate and use the Service once the Pairing Process is complete.

The Service is activated once the Customer has used the Vehicle in drive mode in an area with GSM network coverage. In principle, the Service activation should occur on the third start of the Vehicle.

For more information on the Service activation process, a frequently asked questions (FAQ) section is available on the Brand Website.

If the Customer is unable to activate the Service, the Customer should contact the Customer Contact Centre using the contact details provided in paragraph 9.

3.2.3 Once the Customer has subscribed to and activated the Service in accordance with paragraph 3.2.2 above, a contract is formed between PSA and the Customer (hereafter referred to as the "**Contract**"). The Contract comprises:

- ❖ these Service T&Cs, which include the Service Privacy Statement;
- ❖ the Pairing Process T&Cs;
- ❖ the Application T&Cs, on which the Customer's MyBrand Account depends.

3.3. Updates to the T&Cs

PSA Automobiles SA reserves the right to amend and/or update these Service T&Cs and to make upgrades to the Service in accordance with paragraph 4.2 below.

Access to these developments may require the Customer's express acceptance of a new version of the Service T&Cs, without it being systematic.

3.4. Service price

Depending on the warranty start date of the Vehicle, the Service may be provided without extra costs or may require a one-off payment ("Fee").

Where payment of a Fee is required, the amount and manner of payment are set out when the Customer subscribes on the Brand Service Store. In such a case the Customer has a withdrawal right as set out in Article 8 below.

4 – DESCRIPTION OF THE SERVICE

4.1. Service features

4.1.1 General provisions

The Service allows the Customer to perform the tasks described in paragraph 4.1.2 below from their SmartDevice, using the connectivity features of the Vehicle's Equipment.

The Customer undertakes to comply with the terms of the Contract and to use the Service in a personal capacity and for the purposes described in these Service T&Cs, in accordance with applicable laws and regulations and third-party rights.

For more information on the Service activation process, a frequently asked questions (FAQ) section is available on the Brand Website. The Customer may also contact the Brand Customer Contact Centre using the contact details provided in paragraph 9 below.

4.1.2 Service features

Once the Customer has signed into the MyBrand app, he may use the Service to:

- ❖ check whether (all) the doors are locked or unlocked;
- ❖ lock or unlock all the doors remotely;
- ❖ flash the external lights of the vehicle for 10 seconds;
- ❖ honk the horn of the vehicle for a predetermined number of times.
 - the number of times may vary between 3 and 5 depending on the model;
 - on some models, activating the horn will make the external lights flash simultaneously;
 - it is responsibility of the user to check the local regulations that apply to the utilisation of the vehicle's horn as further described in paragraph 11 below.

Remote Control Horn and Light features availability also depends on vehicle model. If not available, the Horn and Light features details in this document do not apply.

4.2. Feature upgrades

PSA Automobiles SA may make upgrades to the Service. Access to these developments may require the Customer's express acceptance of a new version of the Service T&Cs, without it being systematic, in accordance with the terms of Article 3.3.

The Customer is hereby notified that the Service may be modified any time to comply with regulatory changes.

If the Customer chooses not to install such updates or if it opts out of automatic updates, it may not be able to continue to use the Application and the Services and any possible continued use of the Service by the Customer will be at the Customer's sole risk and under his exclusive responsibility.

5 – TECHNICAL REQUIREMENTS

The Service can only be provided if the following conditions are met:

- ❖ The Customer is able to enter their PIN code in the MyBrand app when prompted;
- ❖ The Vehicle and the Customer's SmartDevice have a permanent mobile data connection.
 - The Customer must therefore ensure that:
 - the "*privacy*" mode is disabled - service-related data can thus be shared (please refer to the settings available via the touchscreen on the Vehicle's cockpit);
 - the Vehicle is located in one of the countries listed in paragraph 2.3;
 - the Vehicle is located in an area with mobile network coverage.
- ❖ The Customer holds an active subscription to the Remote Control service.

If the vehicle is not used for a consecutive number of days (depending on the model and on the equipment) it will go into sleep mode to ensure that enough battery power is available for the ignition)

To re-activate the Service, the Customer may ensure that:

- ❖ the vehicle is driven for at least 15 consecutive minutes;
- ❖ this operation takes place in an area with GSM network coverage;
- ❖ their PIN is entered correctly if asked by the MyBrand app.

If the Customer changes their SmartDevice during the period encompassed by the Contract and wishes to continue their use of the Service, the Customer will be required to complete a further new Pairing Process in accordance with the Application and the General Terms and Conditions of the Pairing Process.

For more information on the features included in the Service on to get instructions on how to use them, please refer to the "frequently asked questions" (FAQ) section on the Brand Website. The Customer may also contact the Brand Customer Contact Centre using the contact details provided in Paragraph 9.

6 – SERVICE DURATION – TERMINATION – DEACTIVATION

6.1. Service duration and termination

The Service is available for a duration of 10 years, starting on the first day of the Brand's' new Vehicle warranty period, as set out on the registration card.

During this 10-year period the Service will terminate automatically if the communication network(s) used for its delivery is (are) no longer available or is (are) strongly saturated due to 2G and/or 3G and/or 4G network switch off, decided by the telecommunication carriers. The termination information will be made available on the Brand website at least 30 days before the end of the Service.

Where the Service is chargeable, in the case of early termination as described above in respect of 2G and/or 3G and/or 4G network switch off, the Customer may be entitled to ask for a reimbursement for such early termination [of €40 the first year, €30 the second year, €20 the third year and €10 the fourth year of the Contract].

The Service may be modified in order to comply with regulatory changes, or to add new features as technology and customer requirements evolve.

PSA Automobiles SA may incorporate the Service features into any new feature and/or service.

Access to these new features and/or service replacing the Service or into which the Service's features have been incorporated may be subject to the Customer's express acceptance of a new version of the Service T&Cs.

6.2. Termination by the Customer

(i) The Service will end if:

- ❖ the Customer wishes to terminate the Contract;
- ❖ the service fees are not paid for by the Customer;
- ❖ the Vehicle is sold;
- ❖ the Vehicle is destroyed;
- ❖ the Vehicle is stolen and the Customer received a pay-out from his/her insurer.

(ii) It is specified that if the Vehicle is sold, the Client shall:

- ❖ terminate the Service;
- ❖ refrain from using the Service;
- ❖ respect all of their obligations to third Parties, which includes the Vehicle's buyer, in accordance with Point 7 of the Privacy Statement contained in these Service T&Cs. In this context, the Customer is advised that the Service activation by the Vehicle's new owner will turn the Service off.

It is specified that the Customer shall be liable for any use of the Service made after the Vehicle's sale if the Customer has not informed PSA as set out below.

(iii) In any of the above cases mentioned in ((i) and (ii)), the Customer must inform the Brand, either by writing to Customer Relations Department, or by using the online form at the Brand Website ("Contact" section).

PSA Automobiles SA will then formally terminate the Contract.

6.3. Termination for breach by PSA Automobiles SA

In the event that the Customer breaches any terms of the Contract, including the terms of paragraph 6.2 and/or the requirements to use the Service in a personal capacity, for the purposes described in these Service T&Cs, and in accordance with applicable laws and regulations, PSA Automobiles SA may, at its discretion:

- suspend the Contract automatically;
- terminate the Contract early if a formal enforcement notice or notification goes unheeded.

It is specifically reiterated that the Customer shall be liable for any use of the Service made after termination, as provided for in paragraph 6.

7 – MALFUNCTION OF THE SERVICE

If the Service malfunctions, the Customer should:

- check that the issue is actually caused by a malfunction and not a user error by reviewing the frequently asked questions (FAQ) section available on the Brand Website.
- contact the Brand Customer Contact Centre using the contact details provided in Article 9 below, if the issue is a genuine malfunction.

Furthermore, to ensure the Service smooth functioning and continuous improvement, PSA Automobiles SA may:

- ❖ update the Vehicle's Equipment (computer and electronic systems) remotely.
- ❖ advise the Customer to update the Application on his/her SmartDevice.

8 – WITHDRAWAL RIGHT

Where a Customer who is a consumer has subscribed to the Service for which a Fee is payable, the Customer has the right to withdraw from the Contract (without giving any reason) within a period of 14 days from conclusion (including activation) of the Contract (Withdrawal Period”).

To exercise the withdrawal right, the Customer must notify PSA Automobiles SA through the “customer contacts” as specified in Appendix 1 of their decision to withdraw from the Contract. The Customer may use the model withdrawal form set out in the appendix of these Service T&Cs, but use of such a form is not mandatory.

The Customer may also complete and submit the model withdrawal form or any other unambiguous declaration on the Brand website. If the Customer uses this option, they will be sent without undue delay an acknowledgement of receipt of the withdrawal on a durable medium (e.g. by e-mail).

In order for the Withdrawal Period to be respected, it is sufficient for the Customer to submit his withdrawal notification before the expiry of the Withdrawal Period.

In the event of withdrawal from the Contract as detailed above, PSA Automobiles SA shall refund the amount of the Fee of the Service paid by the Customer (if applicable) without undue delay and in any case no later than fourteen days from the day on which PSA Automobiles SA is informed of the decision to withdraw from the Contract. The refund will be made using the same method of payment as the one used for the initial transaction, unless specifically otherwise agreed. In any case, this refund will not result in charges for the Customer.

Provision of the Service will commence on subscription and activation. If the Customer withdraws, PSA will refund the Fee paid without withholding any amount in respect of the usage of the Service by the Customer.

9 – BRAND CUSTOMER CONTACT CENTRE

The Customer may contact the Brand Customer Contact Centre for any inquiry about the Service or these Service T&Cs:

10 – FORCE MAJEURE

Neither party shall be in breach of this agreement nor liable for delay in performing, or failure to perform, any of its obligations, if such delay or failure result from force majeure events.

Whether or not they are considered to be force majeure events by law, it is agreed that the following events will in any case be considered to be force majeure events:

- a government-ordered partial or complete shutdown of the mobile carrier's network on which the Service relies and/or of the Service more generally;
- a partial or complete malfunction resulting from the disruption or suspension of the mobile carriers' networks used for the Service;
- collective industrial actions by PSA or Brand's employees or its providers or suppliers.

11 – LIMITATIONS - LIABILITY

11.1. Limitations of the Service

The Service operation may be limited, from time to time and in certain locations, due to circumstances beyond the PSA control, as a result of the effective mobile network coverage, local topography and atmospheric conditions.

Without prejudice to the provisions of paragraph 6.1 (Service Duration), the performance of the Service may be affected if the communication network(s) used for its delivery is (are) saturated due to 2G and/or 3G and/or 4G network switch off decided by the telecommunication carriers.

11.2. Liability

PSA provides the Service under a best-efforts obligation. PSA's liability shall only arise in connection to the Service advertised features. As such, PSA shall not be liable in cases where the Customer breaches the Service terms and conditions of use.

The Service is used under the full and exclusive responsibility of the Customer, who shall assess and shall be solely responsible for assessing the conditions and circumstances before operating the Service.

The Customer expressly holds PSA harmless of all responsibility in relation to the use of the Service.

The use of the Service is recommended only in compliance with all relevant regulations and codes under the direct visual control of the Customer.

In particular, it should be noted that in a number of countries, it is only permissible to use or honk the horn of the Vehicle for specific purposes (whether under local Highway Codes, regulations or otherwise). Therefore it is the Customer's responsibility to check the permitted use in the relevant country and the responsibility for the use of the Service and compliance with applicable Highway Codes, regulations or other such requirements falls exclusively on the Customer.

The Customer is thus also solely liable for any infringement of third-party rights, including but not limited to, infringement of individual freedoms and privacy rights, which could arise from the use of the Service by the Customer or by the users of the Vehicle.

PSA shall not be held liable in cases where:

- the Customer and/or any third party uses the Service, or information received by way of the Service, unlawfully, improperly or contrary to its intended purpose;
- the Service is not activated and/or the Pairing Process is not completed properly and/or the Pairing Process fails to complete, without prejudice to the limitations and/or restrictions laid down in these T&Cs;
- the Customer and/or any user of the Vehicle uses the Service and/or the Vehicle improperly, abnormally, unlawfully or in a manner that infringes on third-party rights.

Likewise, PSA shall not be held liable in the event that the mobile networks required to access the Service are temporarily unavailable, the Service is partially or wholly unavailable for reasons attributable to the mobile network carrier, or data cannot be transferred securely for reasons attributable to the mobile network carrier.

12 – INTELLECTUAL PROPERTY – PERSONAL DATA

12.1. Intellectual property

PSA and its suppliers remain the sole owners of all intellectual property rights related to the Service.

PSA and its suppliers grant the Customer a licence to use the Service, such licence covering the entire period during which the Customer is subscribed to the Service.

12.2. Personal data

PSA treats the Customer's privacy as a top priority. The Customer should refer to the Privacy Statement below for more information on how PSA processes his/her personal data.

13 – APPLICABLE LAW – DISPUTES – CONSUMER MEDIATION SERVICE

In case of any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with this Contract or its subject matter or formation, the parties agree to follow the procedure set out in this clause.

Either party shall give to the other written notice of dispute, the Manufacturer via email to the Customer and the Customer using the means set out in clause 8 above, setting out the nature and full particulars of this dispute or claim. The Manufacturer and the Customer shall then attempt in good faith to settle the dispute or claim via mediation procedures

No party may commence any court proceedings in relation to the whole or part of the dispute or claim aforementioned until fourteen (14) days after service of the notice of dispute, provided that the right to issue proceedings is not prejudiced by a delay.

If the dispute or claim is not settled by mediation within fourteen (14) days of commencement of mediation or within such further period as the parties may agree in writing, either party may issue court proceedings as follows:

- (a) Where the Customer is subscribing to the Services other than as a consumer, you agree that the following courts shall have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with this Contract or its subject matter or formation:
 - in the case of PSA Automobiles as the Services provider, the Paris courts; and
 - in the case of a subsidiary of PSA Group as the Services provider which sold the Vehicle in the country concerned
 - i. the [Paris] courts for Peugeot, Citroën and DS Vehicles
 - ii. the [German courts] for Opel Vehicles; and
- (b) where the Customer is a consumer you agree that the courts where you reside shall have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with this Contract or its subject matter or formation.

European consumers may use the European Union's Online Dispute Resolution (ODR) service to submit complaints relating to online purchases. Complaints submitted via this channel will then be forwarded to the relevant national mediation service. The ODR platform is available at the following address: <https://ec.europa.eu/consumers/odr/>.
